

Capstone Video Presentation Requirements

Purpose: The purpose of this video is to document the process and development of your capstone project. The video should include:

- Introduction of yourself and your pathway.
- Clear purpose of the project and reason why you chose it.
- Detailed explanation of the project process.
- Visual documentation
 - Edit in or film the stages of your project.
 - Documentation can include pictures, videos, drawings, physical artifacts, interviews, etc.
- Challenges and obstacles faced and how they were overcome.

Video Requirements:

- 3 – 5 minutes in length
- Uploaded to YouTube by April 20th.
- Use the hashtag **#CSICapstone2018MM** or **#CSICapstone2018EM** based on your pathway.

Evaluation: you will be evaluated by your industry contact. Evaluation forms must be emailed directly from your industry contact to your pathway instructor. Forms are due on May 4th.

The evaluation is based on the following

- Professionalism of student
- Clear purpose of project
- Effective explanation of project
- Quality of project
- Creativity of project
