

# Capstone Video Presentation Requirements

**Purpose:** The purpose of this video is to document the process and development of your capstone project. The video should include:

- Introduction of yourself and your pathway.
- Clear purpose of the project and reason why you chose it.
- Detailed explanation of the project process.
- Visual documentation
  - Edit in or film the stages of your project.
  - Documentation can include pictures, videos, drawings, physical artifacts, interviews, etc.
- Challenges and obstacles faced and how they were overcome.

## **Video Requirements:**

- 2 – 3 minutes in length
- Uploaded to YouTube by May 10th.
- Use the hashtag **#CSICapstone2020MM** or **#CSICapstone2020EM** based on your pathway.

**Evaluation:** you will be evaluated by your industry contact. Evaluation forms must be emailed directly from your industry contact to your pathway instructor. Forms are due on May 22<sup>nd</sup>.

The evaluation is based on the following

- Professionalism of student
- Clear purpose of project
- Effective explanation of project
- Quality of project
- Creativity of project
